Dear Bobcat Parent,

May 8, 2009

As you know, the proposed state budget cuts to education are devastating! To offset the budget cuts, the Foothill Ranch Kids Foundation (FRKF) has been actively fundraising for Foothill Ranch Elementary (FRE). The recent Silent Auction raised \$18,000 in just four hours of community fun at the Food Court! Thank you for your support! We are close to reaching our goal so we can hire one of the two library positions we are losing next year in the budget cuts.

And thanks again to parents like you, the PTA-sponsored "Bobcat Amazing Race" also reached its goal! This event's success will help save our science program.

At this time our school is still in jeopardy of losing our two Computer Lab technicians and the Language Arts Assistance Program (LAAP), which helps ensure students can read at grade level. We will not officially know what the District will or will not financially support until summertime. But we do know that our children's education must not suffer because of the state's budget crisis. So we need your help NOW! Please help put us over the top so we can hire a librarian and address these other vital programs we stand to lose. All money FRKF raises will remain on our campus and supports your students.

To help FRKF meet this challenge, we have just received a matching grant! A generous donor has agreed to match every dollar we raise from May – June 15th! That means your gift TODAY will be worth TWICE AS MUCH (up to \$15,000).

Your tax-deductible donation of \$50 will be worth \$100, a \$500 donation will be worth \$1,000 and so on! This is a small price to pay for your child's future – especially when compared to the high costs of private schooling.

Please send the most generous gift you can to FRKF by June 15th to make your donation worth twice as much for our students!

We, as parents, need to do everything we can to protect the high quality of education our students now enjoy! Please act now!

Together we CAN make a difference!
